REFLECTIONS

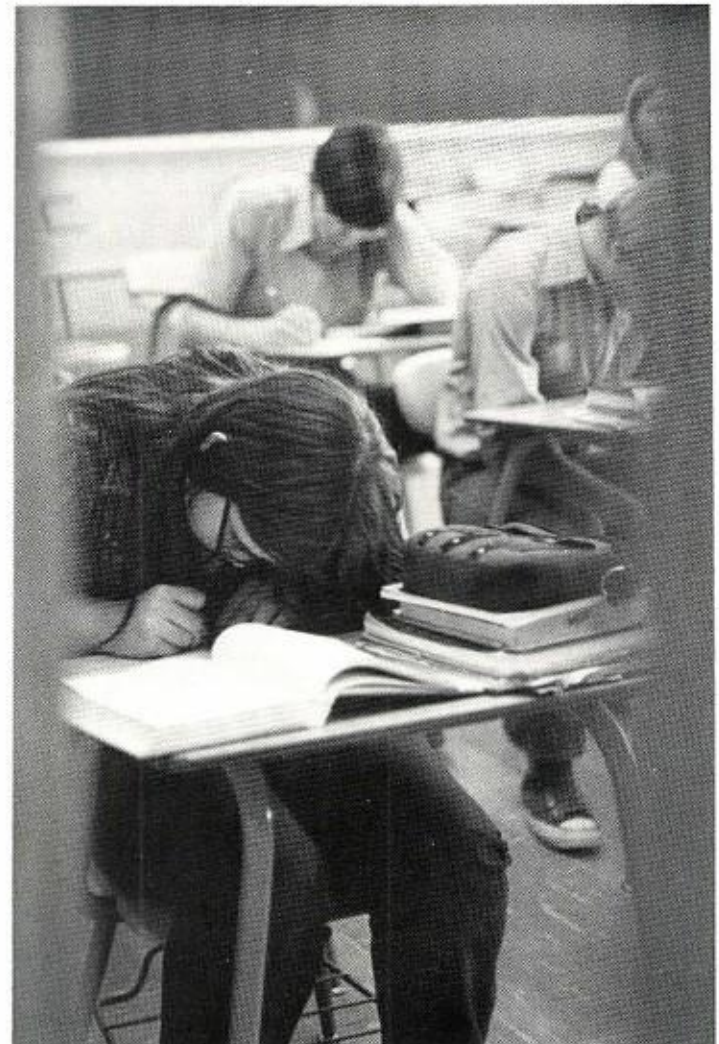

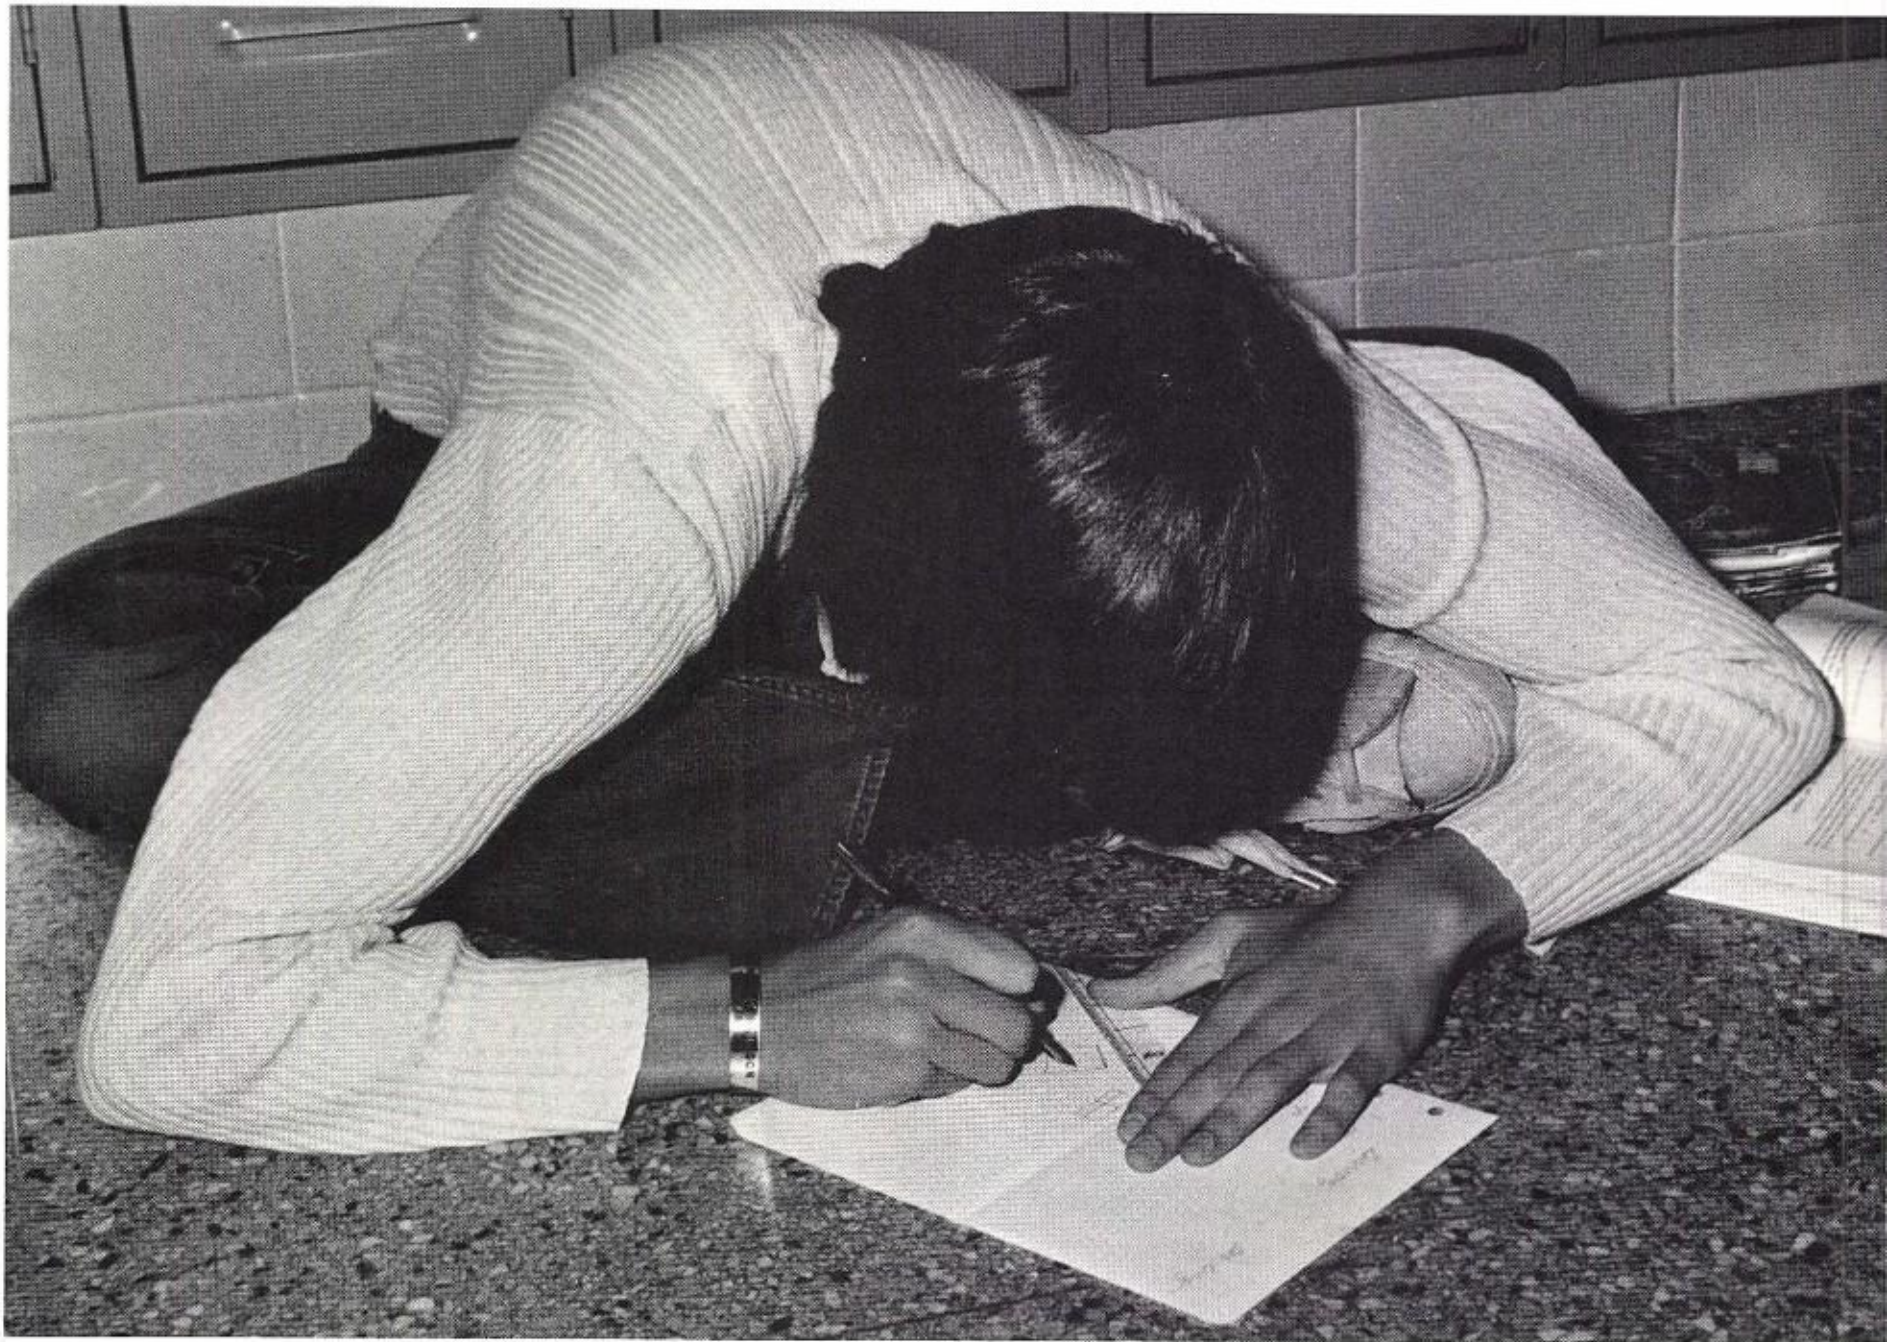

Think of life as a voyage. The truest
lover of the truest life is like a voyager
who, as he sails, is not indifferent to all
the beauty of the sea around him.
— Phillip Brooks

Ideals are like stars, you will not succeed in touching them with your hands, but like the seafaring man on the desert of waters, you choose them as your destiny. — Carl Schurz

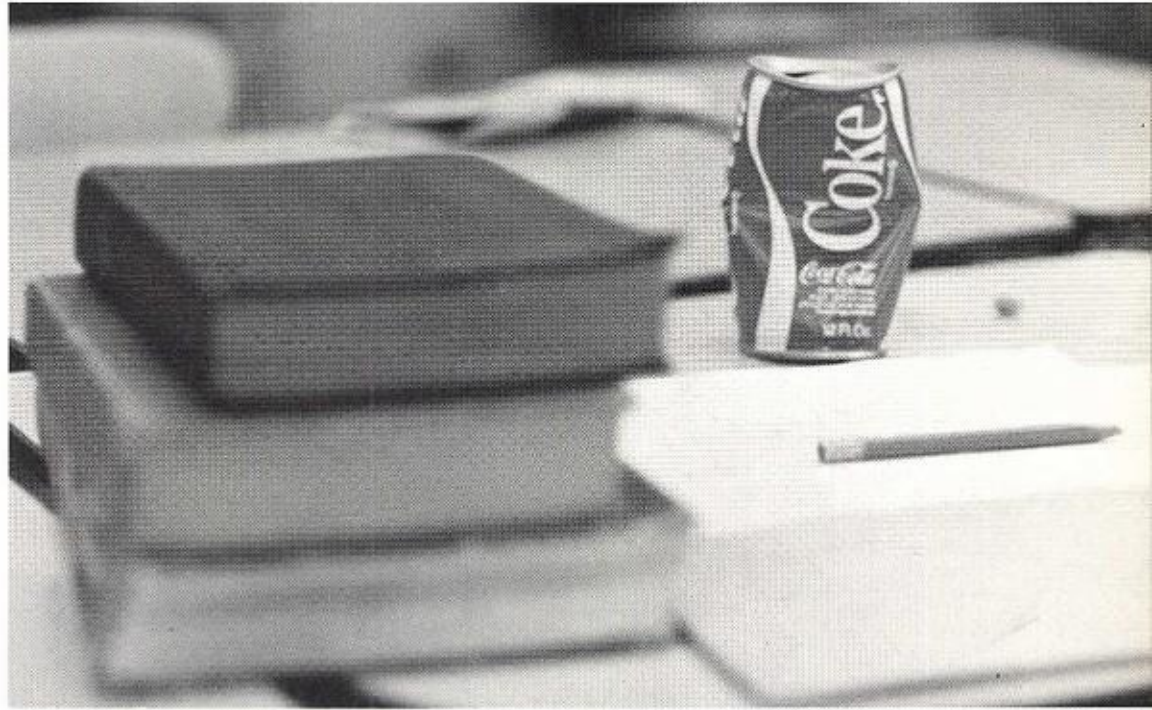

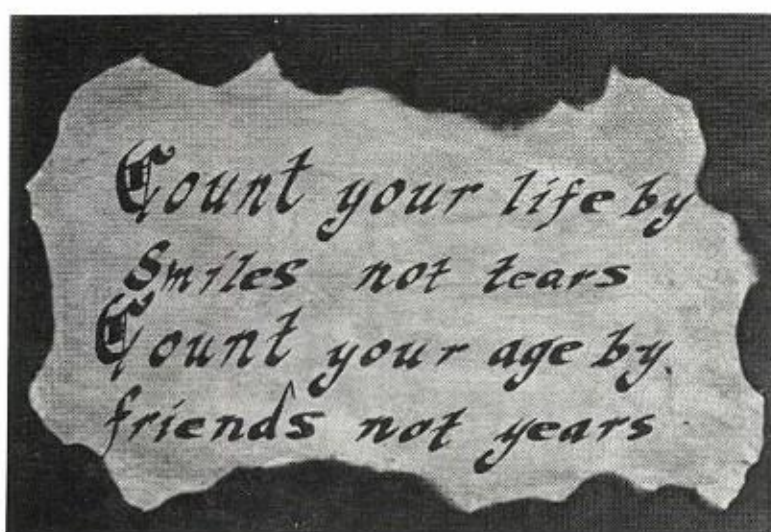

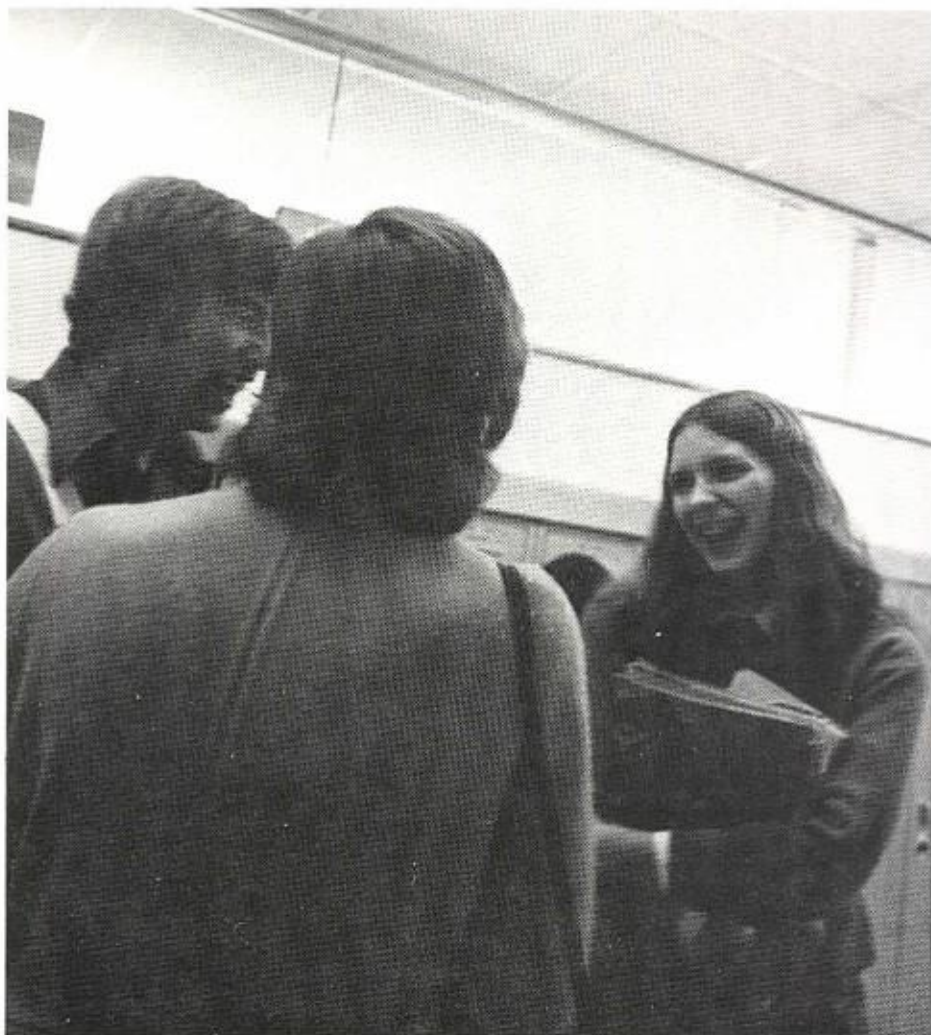

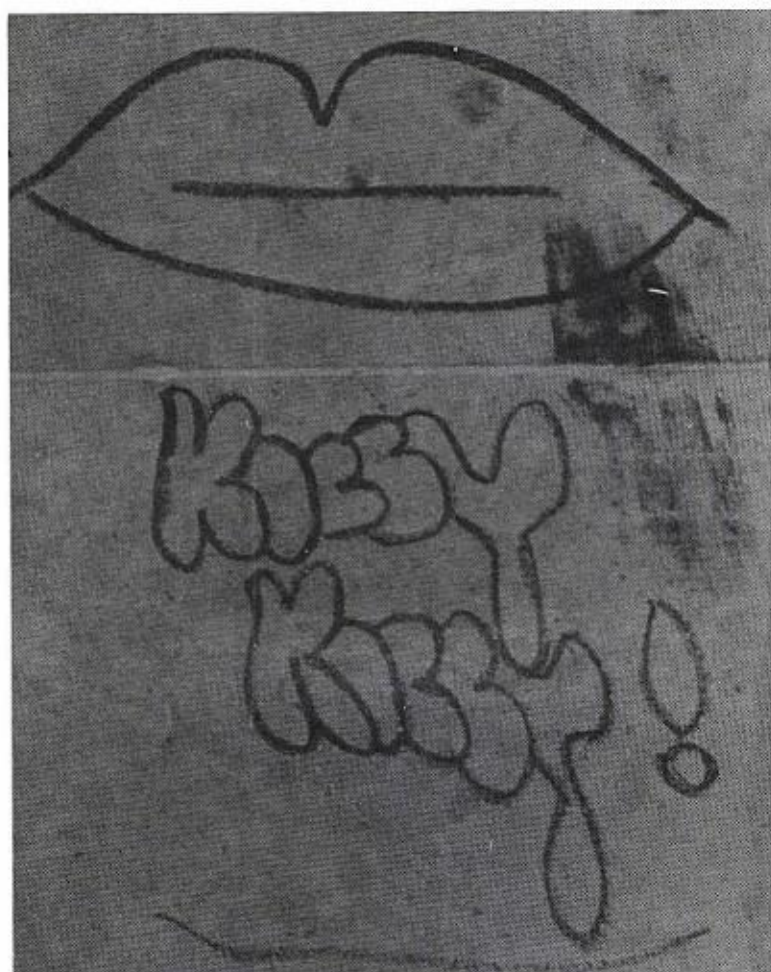

**In undiscovered countries of our being
are forces steeped with power; there is
new wide knowledge to be gained
through toil and study; there is star-
tling creative work to do.**

— Grace Noll Crowell

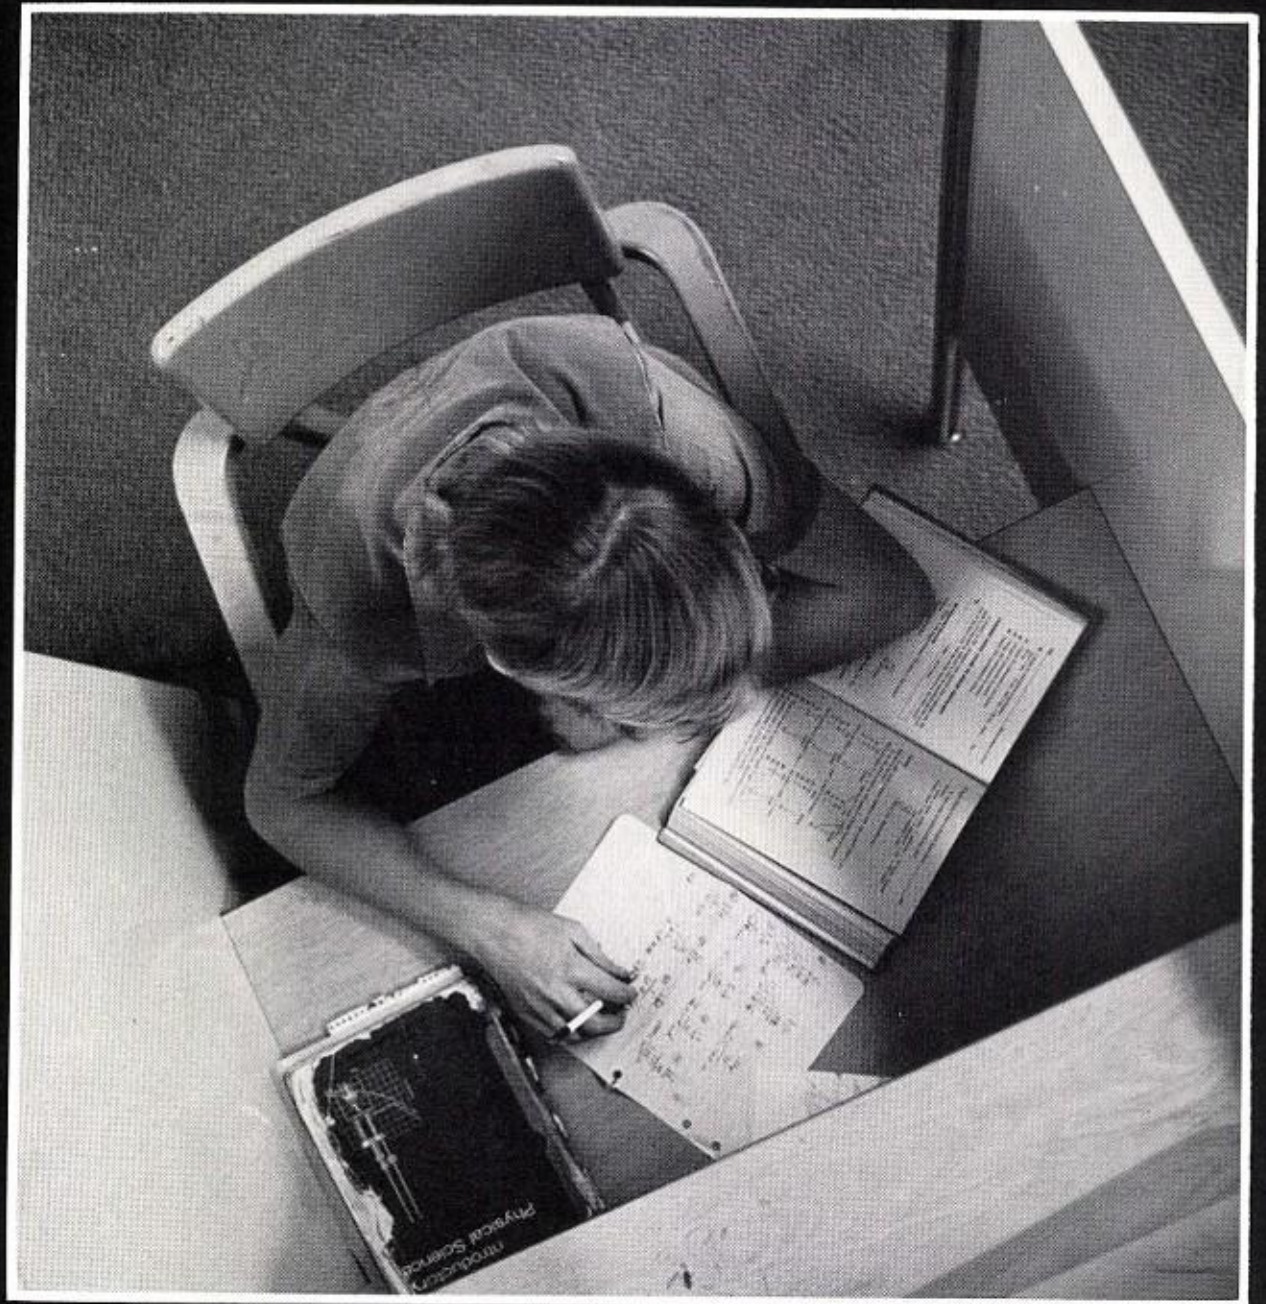

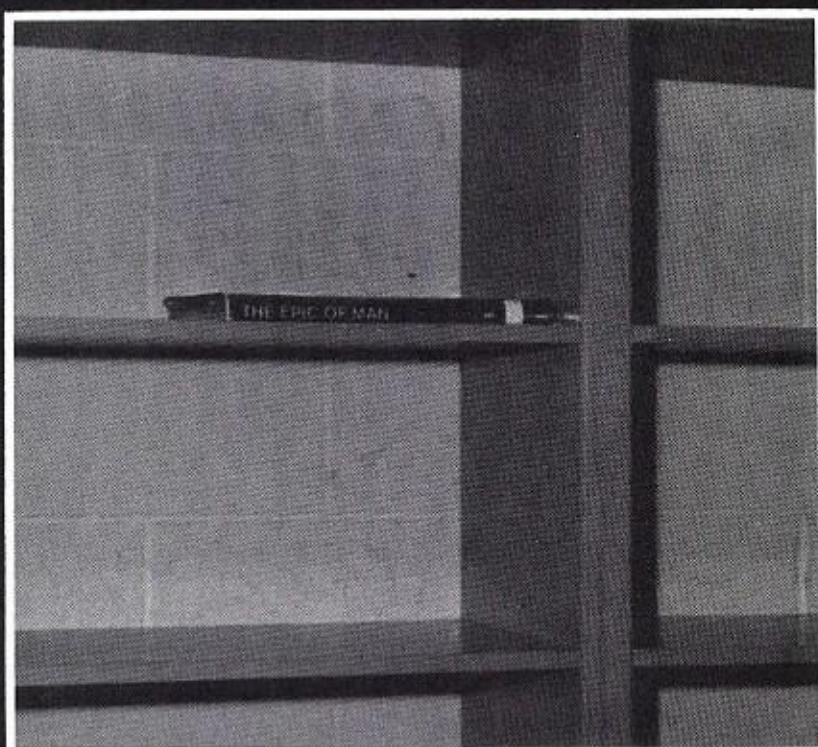

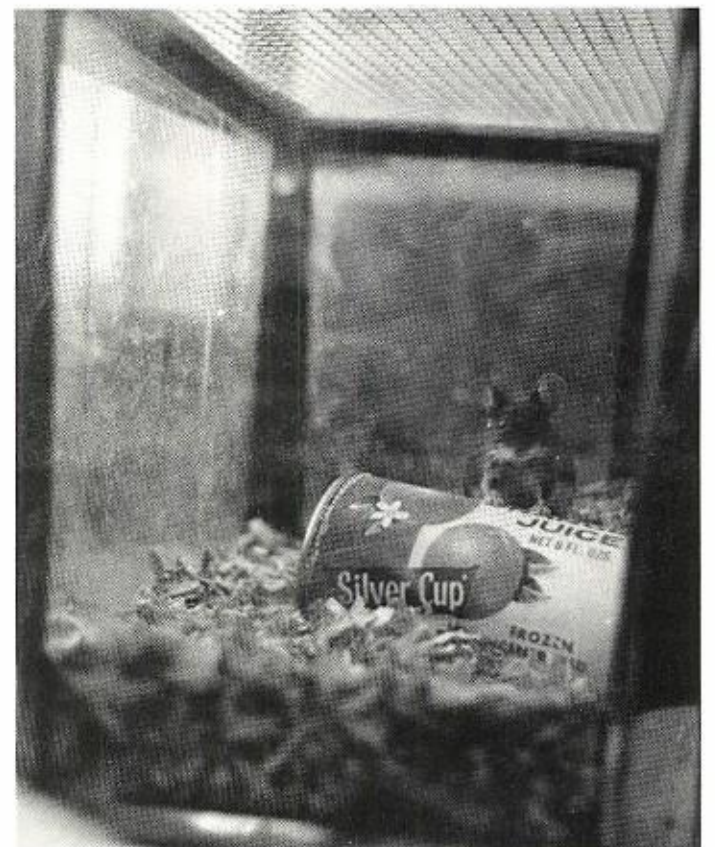

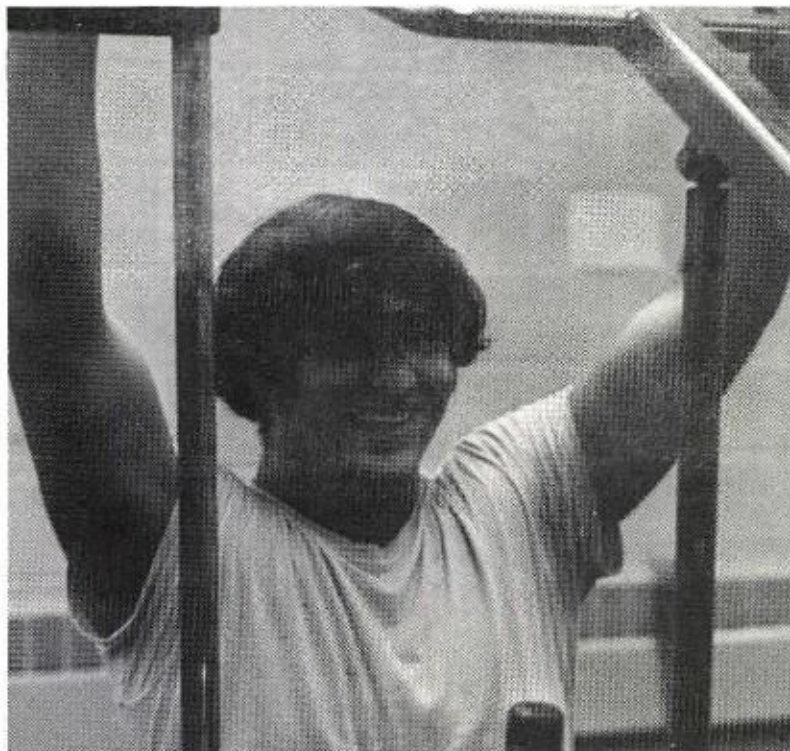

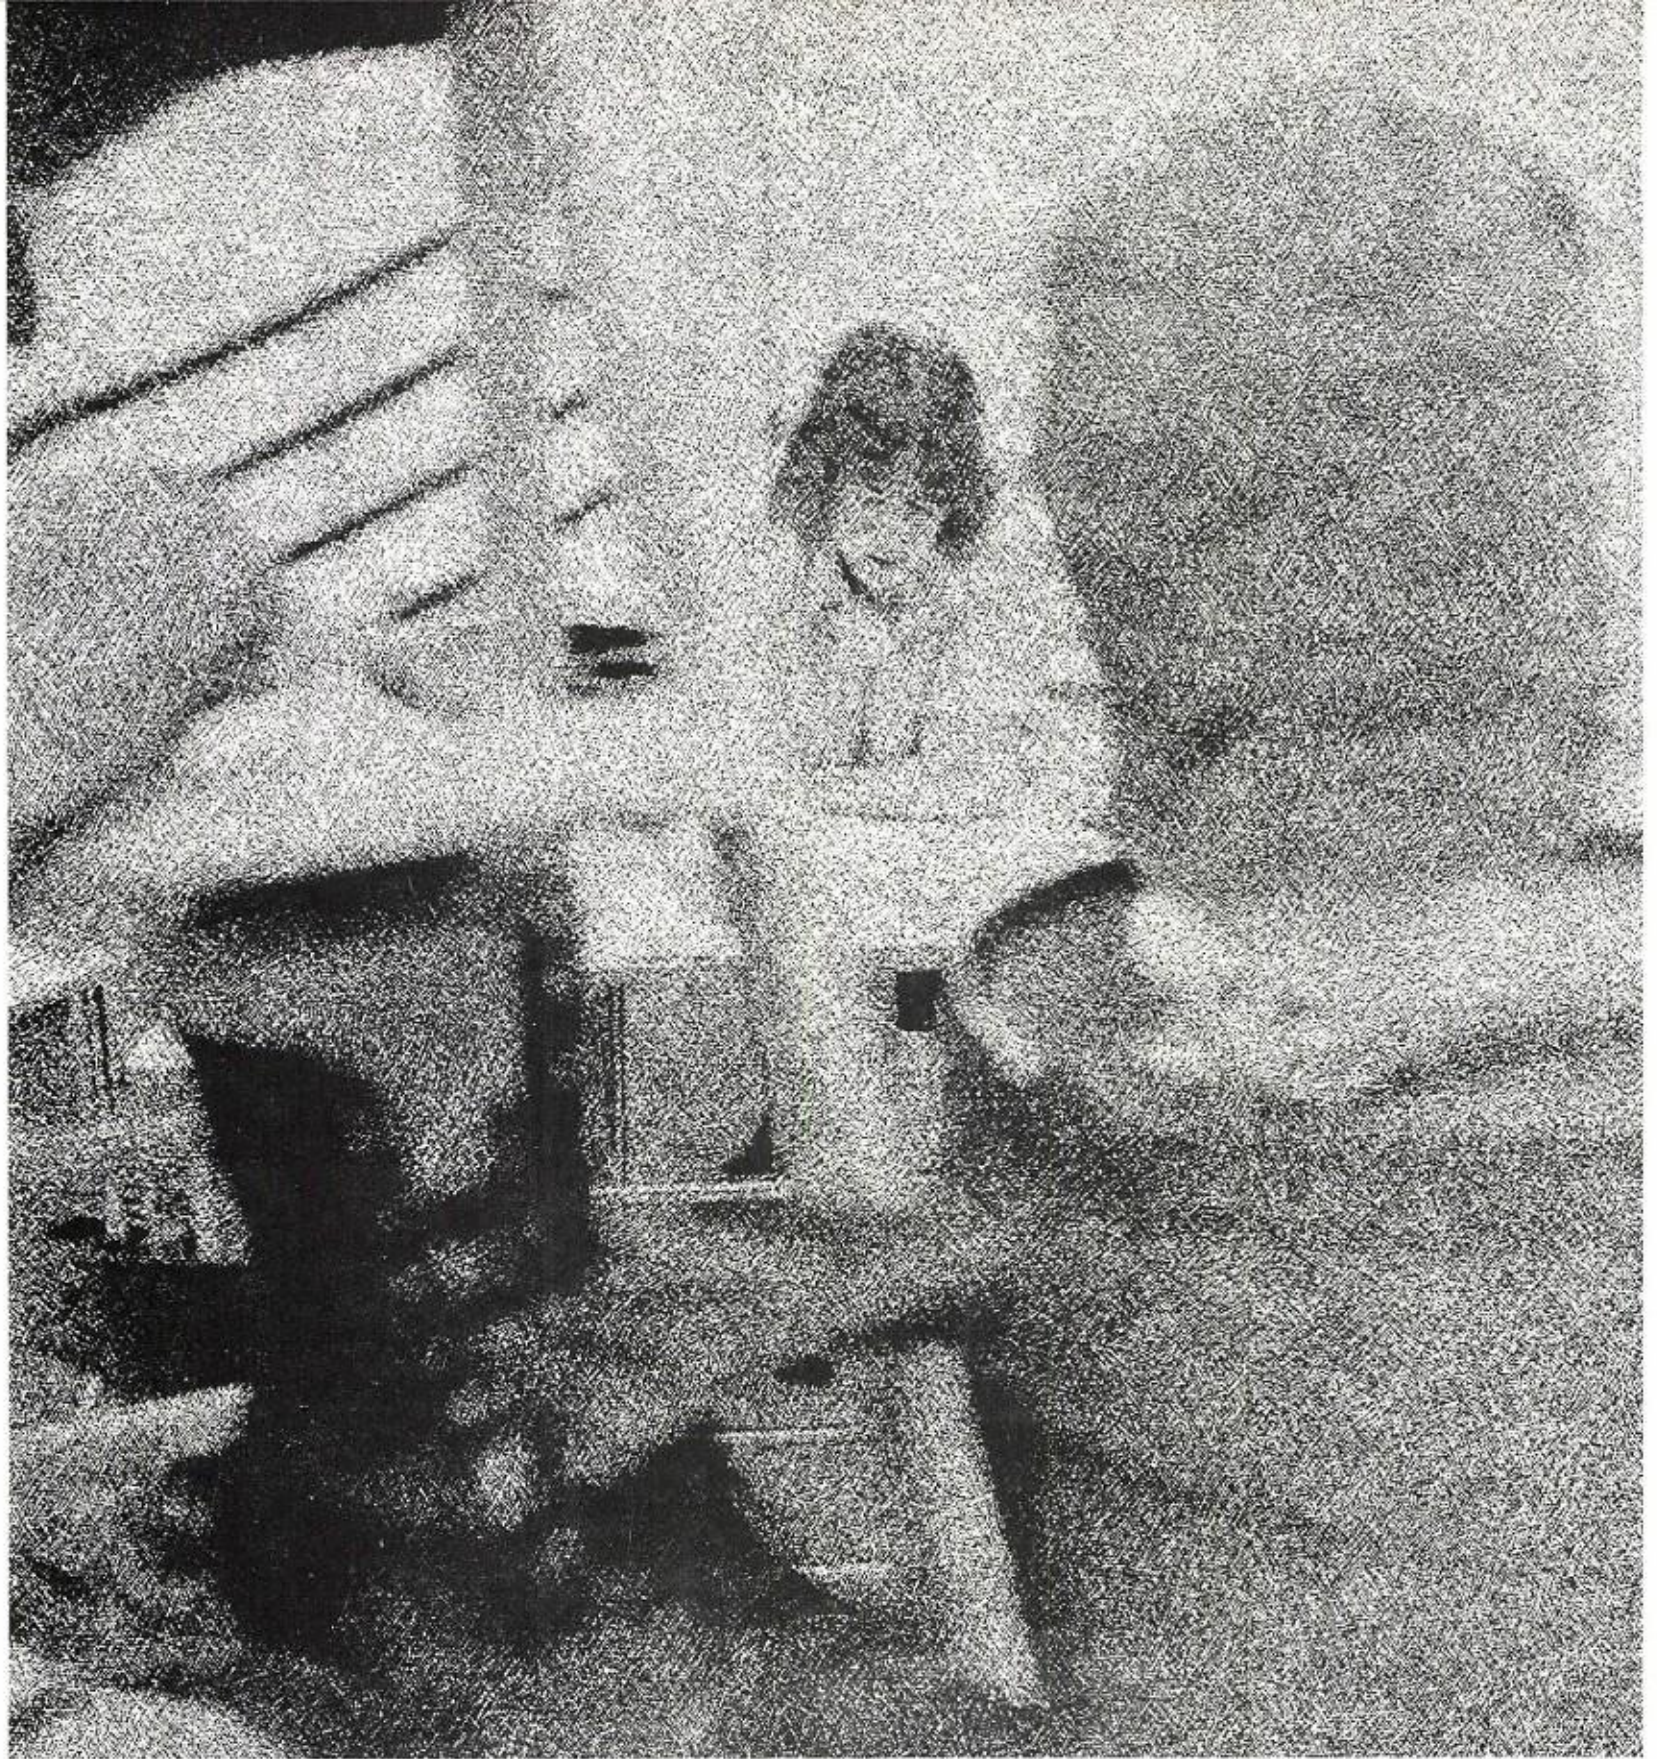

Friends are necessary to a happy life. When friendship deserts us we are as lonely and helpless as a ship, left by the tide high upon the shore. When friendship returns to us, it is as though the tide came back, gave us buoyancy and freedom, and opened to us the wide places of the world.

— Harry Emerson Fosdick

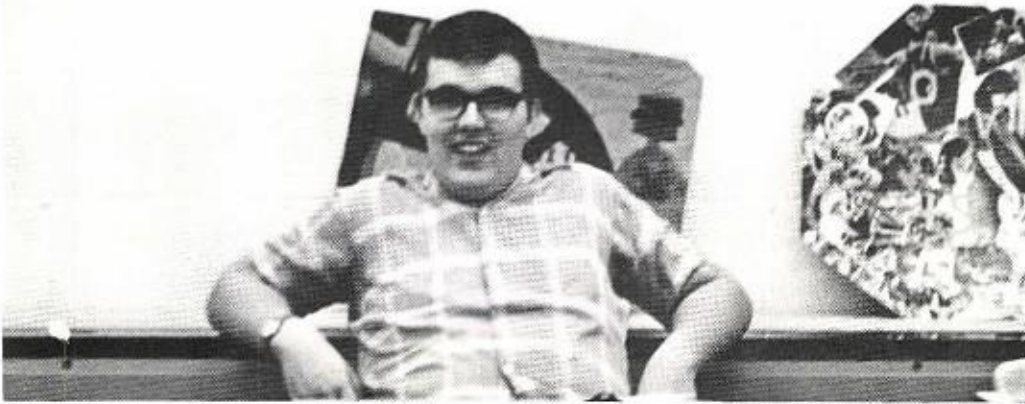

**Always, O comrade, there is the
chance that your burden may slip
from your back before the wayside
dawn, and O, my comrade, no matter
how hard the going, keep on. Keep on!**
— Grace Noll Crowell

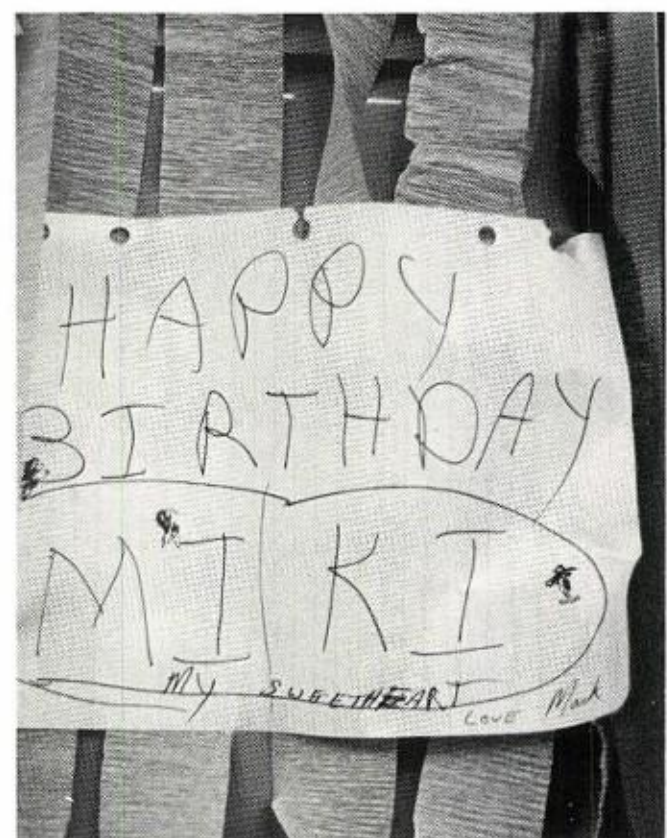

TEACH A MAN HOW TO
FISH AND HE WILL NOT
BE HUNGRY FOR A LIFE
TIME.

And now that I have wandered many miles Down many a road, and many a crooked lane, And know Life is a thing of tears and smiles, Of peace, and white-winged joy, and bitter pain, Yet should some brother ask the way to go, I could not tell him, nor which road is best, I do not know his way, I only know That every road and every trail leads West. No one can go the way that I have gone, I cannot go where other far trails run. Through light and shadow Life has beckoned on Into the glories of the setting sun.

— Grace Noll Crowell

LOWER LEFT: 1972 Homecoming queen is introduced to the crowd during half-time of the varsity game. LOWER RIGHT: Alumnus Randy Elders, '70, dressed in traditional Viking garb, adds spirit to the Homecoming festivities.

Homecoming is the time for renewal . . . of school spirit . . . of old friendships. It brings forth a sudden surge of enthusiasm and team support. As a focal point of the school year, Homecoming unites the separate classes in many common causes: welcoming former students, urging the team on, and preparing an extravagant victory celebration, the Homecoming dance.

'Chalk Garden' set in English manor

The Chalk Garden, by Enid Bagnold, revolves around Laurel, an English girl, who goes to live with her grandmother in an old English manor. Junior Prom creates festive atmosphere

"Santa's Workshop" set the theme for the 1972 Junior Prom. Horse-drawn sleigh rides added to the old-fashioned Christmas atmosphere. Those attending the Prom were kept busy dancing to the music of "Albatross," decorating cookies, and making ornaments in Santa's workshop.

King and queen reign over Coronation Ball

For the first time in Guilford's history a king and queen, elected by the entire student body, presided over the annual Publications dance, the Coronation Ball. Pink and burgundy decorations, and champagne glasses filled with punch flowing from silver fountains, were representative of the theme, "Sparkling Burgundy."

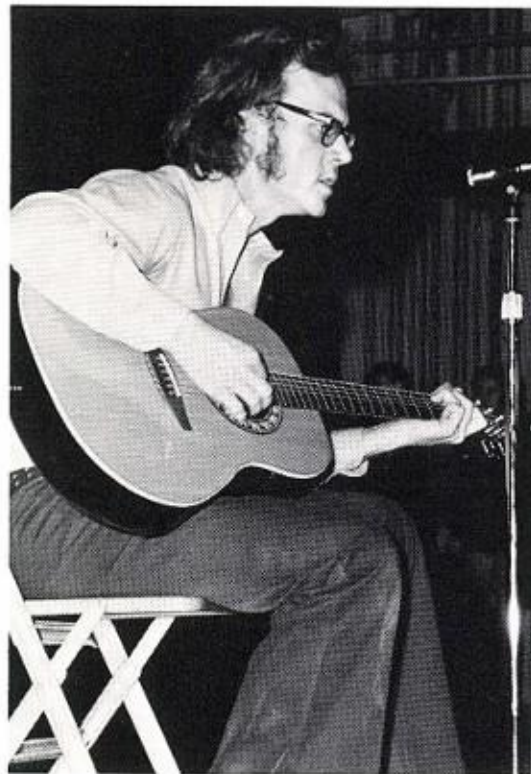

UPPER: Sipping punch from champagne glasses, Sue Rader and Jerry Wiltfang relax a moment before returning to the dance floor. LOWER: Dress styles at the dance varied from brightly patterned pants and short dresses with stocking feet, to elegant long dresses.

Invitational boosts 'Bread for Ed' fund

Guilford's Athletic Department voted that all profits from this year's Invitational Track Meet, April 28, would go to Ed Neuliep, Guilford custodian. Ed was struck with Hodgkin's disease and was forced to stop working. "He is a sincere individual who takes a deep interest in all boys, not only athletes," commented Coach Jack Flynn.

Of 17 teams competing in the Guilford Invitational, Guilford placed fifth. Defending champion Rock Island easily repeated last year's victory to retain its Invitational crown. Paul Sewell paced the Vikings as the meets only double winner, easily winning the 2-mile and setting a new meet record in the mile race.

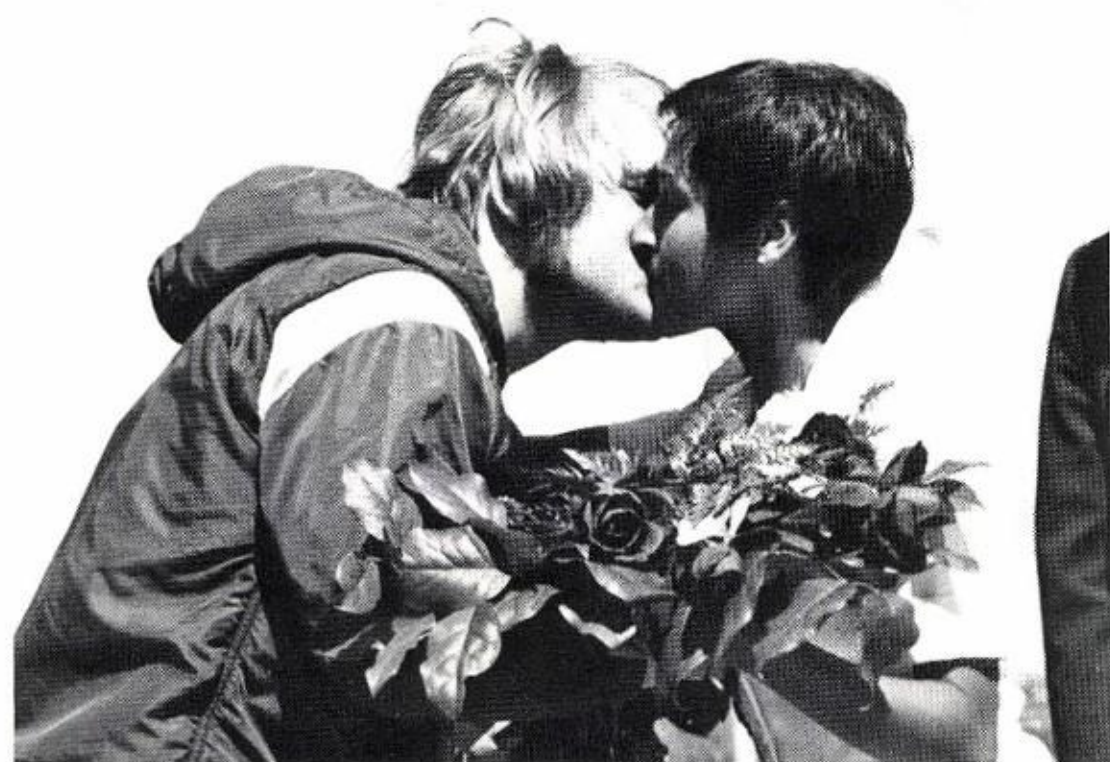

The 1973 queen, who was chosen from five R-Club nominees by the student body, reigned over the Guilford Invitational.

UPPER: Athletic director Chuck Albertson and Paul Sewell present a plaque to Guilford's "number one fan," Ed Neuliep, while Mrs. Neuliep looks on. The track meet and the dance following the meet raised \$1,100 to go into the "Bread for Ed" fund. LOWER LEFT: Paul Sewell moves to the outside to pass his competition and take the lead in the 2-mile. LOWER RIGHT: Long-jumper Craig O'Donnell flies through the air and strives for distance in the long jump.

'Looking Glass' reflects four years at Guilford

UPPER: Dodi Carter gets measured for her cap and gown while other seniors inquire about obtaining them. LOWER: Jeff Genoways practices for graduation in his blue jeans and tennis shoes.

LEFT: Debbie Doolittle and Jim Wallar, look back on their four years at Guilford, during the senior prom. The theme, "Through the Looking Glass," brought to the seniors minds many memories of their high school experiences.

During the seniors' four years at Guilford, they have experienced change in their school and the world in which they live.

The 18-year-old vote of 1972 brought many of this year's seniors closer to the 1972 political elections. An unsuccessful assassination attempt on the life of presidential hopeful George Wallace upset the 1972 election campaigns in which many Guilford students participated, supporting Richard Nixon, George McGovern, Danieo Walker and Richard Ogilvie.

Break throughs in the Paris peace talks became evident a few weeks prior to the elections with a peace treaty signed on January 27, 1973. POW's returned in the first months of the new year.

In the fall of 1972, mainland China was admitted into the United Nations, and in the following year Nixon traveled to China in hopes of improving foreign relations.

As a restraint on inflation, Nixon enforced the wage-price freeze in the summer of 1971.

In December of 1972, the last Apollo exploration flight was sent to the moon.

In West Germany in September

1972, nine members of the Israeli Olympic team were killed by Palestinian Arab terrorists who invaded the winter Olympic games.

Harry Truman died in December of 1972, and Lyndon Johnson in January of 1973, after serving their terms as United States Presidents and standing up for their country's defense.

The laws concerning the possession and use of marijuana and the legalization of abortions have become more liberal.

The earthquakes of California in 1970 and Nicaragua in 1972 caused serious damage and much tragedy.

In the past 4 years campus attitudes have gone from active protest to a calmer atmosphere. Student fashions have gone from mini-skirts to hotpants to 30's styles to present day jeans and work shirts.

Times have changed since the seniors were freshmen. This year's seniors have change many traditions. A king and queen, for Coronation Ball, were chosen for the first time. Top twenty was chosen strictly on basis of class rank. In contrast, graduation recalls the traditions for Guilford and will be as for all students, another step in life's journey.

S.C. remodels 151, talks over problems

One of Student Council's biggest projects this year was the remodeling of 151. The structure, known for a time as the "Pit," was built by members of S.C. during the summer and later in the fall, carpeting was installed. While part of S.C. worked on 151, others were active in other areas. "Albatross" played for this year's Homecoming dance, "Twilight in Asgard", sponsored by S.C. Council members also represented Guilford on the Inter City Board, a committee of high school principals and students who met to talk over the problems faced by the community. Student Council ended the year with a talent show and the elections of next year's officers and representatives.

“Voyage” chosen by 1973 **Valhalla** staff

The '72-'73 **Valhalla** staff chose “Life is a Voyage” as the theme of the book. Throughout the scurrying of meeting deadlines, the staff tried to keep to the theme because it felt that a yearbook is one of the best ways to capture a small part of life's voyage. Accompanying the yearbook staff, Special Projects took charge of publishing the sports programs handed out at athletic events and planning and organizing the Coronation Ball in January. The **Saga** editors compiled the literary magazine, which was made up entirely of student's stories, poems and art work.

LOWER RIGHT: Heidi Nielson and Kris Nielson, Circulation Managers, systematically file back copies of the **Voyager**.

Staff makes changes and follows customs

Once again, the **Voyager** began the year with a new staff and, this year, with a new Publications advisor, Mrs. Janet George. Even the nameplate was new, the old emblem having been traded for newer, more modern lettering. In addition to publishing the newspaper, the staff, along with the yearbook staff, ran the coatcheck at the basketball games and sponsored "Coronation Ball" in January. In the spring, the staff followed custom by initiating new members into the honorary journalistic society, Quill and Scroll, and by helping next year's staff prepare to begin again in the fall.

AFS exchanges students for students

The American Field Service, an organization working toward peace through understanding and friendship, sponsors students to go to foreign countries, or for foreign students to come here. This year, Guilford's AFS exchange student was Brigitte Gras, from France. Brigitte stayed with her American sister, Michelle Brooks, '74, and her family. As a club, AFS had a Halloween party and participated in the YWCA's annual "Christmas Tree Lane." AFS also held several bake sales. The club is advised by Miss Cheryl Jacobson and Mr. Anthony Isabelli.

Concerts, halftime performed by Bands

The bands opened the '72-'73 season with the appearance of the Marching Band, made up of the Concert and Varsity Bands, in a series of half-time shows. The Viking Band made its performing debut in the last show which commemorated the Civil War. After the marching season, the bands looked toward the concert season. The first concert was the Christmas Concert, given by the Varsity and Viking Bands. The bands also traveled to area grade schools to give prospective band members an idea of what the program is like. Other band activities included "fun nights" and the "Cabaret Show", staged jointly with the Choral Department. The end of the year was highlighted by the annual spring trip. This year, the bands planned a trip to Detroit with stopovers in Holland, Michigan and Greenfield Village.

Concerts, ensembles keep orchestra busy

The Guilford Orchestra, under the direction of Mr. Donald Zimmerman, had an active year. In addition to the winter and spring concerts, many orchestra members participated in ensembles and solos which performed at two school recitals and went to the state contest in March. Along with the Drama and Choral departments, the orchestra put on the musical "Oklahoma!", for which orchestra members played in the pit orchestra. A music festival with the Eisenhower Orchestra was held in April and the orchestra performed at Baccalaureate. Before Christmas, members sold wreaths to raise funds for equipment for the Guilford and Eisenhower orchestras.

Chorus develops performance variety

The Guilford Choral Department has had a busy season. Under the direction of Mrs. Ruth Gustafson, the choirs opened their concert season with the Christmas Concert, in which they presented the annual Christmas Story, "The Miracle of Notre Dame." In addition to their school concerts and the Spring Concert, the individual choirs presented programs at area grade schools and rest homes. The members of A Cappella made plans for a concert tour in January. The weekend trip included a stop in Minneapolis and a performance at a church service Sunday morning. The Guilford Madrigals, who traveled to England, Ireland, and Scotland last summer, performed at the Woman's Club fashion show and many other events throughout the year.

Guilford's Thespians are members of Troupe 2348 of the International Thespian Society, an organization dedicated to the advancement of the theater arts. In November, Thespians brought the National Theater Company's production of "Antigone" to Guilford and made arrangements for the company to present "Butterflies Are Free" next year. New members were initiated soon after the musical in a formal ceremony followed by a potluck for all members and initiates. Awards for Best Actress and Best Actor were made during the Performing Arts Dinner, held with the Band, Orchestra and Choral departments. Thespian's sponsor was Mr. William Durham.

Radio, library work develop new skills

One of the newest clubs at Guilford this year was the Radio Club. Sponsored by Mr. John Thomas, the club made plans to build a radio station at Guilford. The station, scheduled to begin broadcasting next fall, will have an operating power of two watts and will broadcast just at Guilford.

For a library to work smoothly, it must have able workers. Guilford's library assistants have been trained by Mrs. Vivian Homewood to be just that. During the year, club members restacked books, filed cards, ran errands, and helped keep the library operating. The assistants also received formal training in library work, reporting to the library every day and occasionally taking tests covering the work they did.

NHS strives for more lasting value

When National Honor Society met last fall to plan its activities, some members felt N.H.S. could better achieve its goals by sponsoring activities of more lasting value to themselves and the school. First, they had a hay ride and a potluck to enable members to get acquainted. To make meetings more interesting, professional people were invited to speak. The group planned to donate a tape deck in its name to help furnish 151, the new student lounge. N.H.S. ended the year by inducting new members and ushering at Baccalaureate and Commencement.

VICA helps plan careers for students

Mr. Orrin Augensen's VICA (Vocational Industrial Club of America) has helped Guilford students find jobs and receive both credits and paychecks. Nurses aides and dental assistants were among the positions open to girls, while the boys worked in area industries and businesses such as architectural offices. VICA has helped the students understand their jobs better by giving them additional training. Guilford's club made plans to go to the state VICA convention at Springfield in March. There, representatives from statewide clubs displayed the skills learned at their jobs.

Area businessmen hire COE members

The girls in COE (Cooperative Office Education), proved that school and a job can co-exist in harmony. Each girl spent the morning in class and worked in the afternoon. In addition to regular classes, the girls received training related to their jobs in the COE class. Subjects covered were dictation, shorthand, typing and other secretarial skills. Many area business firms hired club members. They worked in retail stores, law offices, insurance firms and the Board of Education. As well as getting credit for both COE class and the job, the girls received a paycheck just like the regular employees. COE was sponsored by Mrs. Linda Stinson.

In addition to display methods, club members learned about human relations in dealing with customers. The club, sponsored by Mr. Brock Dorn, also operated the school supply store, selling items from pencils and paper to slide rules and geometers to Guilford students.

Copolecs exercises democracy in class

Copolecs is a unique class. Taught by Mr. Charles Albertson, the class studied and compared the political and economic systems of the Union of Soviet Socialist Republics and the United States. In addition to comparing the two countries, the class worked as an exercise in democracy. Class members elected officers to preside over discussions according to Robert's Rules of Order. Motions were made, seconded and voted upon, so all members of the class participated in the decision making. In the fall, a class constitution was drafted setting up guidelines for class operation, raising money for field trips, and electing officers.

Chess club travels to area tournaments

Members of the Guilford Chess Club spent many of their weekends traveling to area tournaments. During the week, the club members played each other, competing for positions on the team. Trophies were awarded at these informal matches. The team, sponsored by Mr. Gary McLamarrah, held an invitational tournament at Christmas.

The '72-'73 Valkyries used the game "Monopoly" for the theme of their annual swim show. Numbers were based on spaces of the famous game, Boardwalk, Park Place, Water Works. Included in the show were the traditional Seniors' and Officers' numbers. Early in the year, auditions for the club were held. Any girls interested in synchronized swimming were eligible. Later, some of the Valkyries attended a workshop at LaCrosse, Wisconsin, where they participated in synchronized swimming competition. Valkyries' sponsor was Miss Rosemarie Netto.

Respect is one goal of the ROTC program

The ROTC commanders have found that being a gentleman and a good soldier are equally important, and that both possess the same qualities. They trained their students to lead, to obey orders, and to show respect. ROTC membership is open to girls as well as boys. As sponsors, the girls have assisted the sargeant and company commanders with their duties.

During the year, ROTC drill and rifle teams participated in competition with units from other Rockford high schools. All members of ROTC marched in the Veteran's Day and Memorial Day parades. The social highlight of their year was the Military Ball, held in the spring. All members of the high school units and their dates were invited.

ABL aims for variety in meetings, activities

ABL, advised by Mrs. Anne Godin, is made up of junior and senior girls. The main interest of ABL (Admiratrices des Belles Lettres) is good books. Club members read books and then discussed them at the meetings. Some of the meetings took the form of a potluck at one of the member's homes. They also made plans to see the rock musical "Godspell." To raise money for the trip, they held several bake sales in the fall. At one meeting, the girls listened to a record and discussed the lyrics instead of reading a book. In the spring, ABL held its annual carnation and theme banquet.

FTA investigates aspects of teaching

Experience has been the key word in FTA (Future Teachers of America). The club, sponsored by Mr. and Mrs. Stuart Munson, tried to let those interested in teaching get an idea of what the job involves. Many of the members worked at Guilford as teacher assistants. The work involved grading papers, mimeographing, and teaching classes. The girls went on fieldtrips to area colleges where they were given tours of the campuses and an opportunity to talk with faculty members. During club meetings, the members discussed methods of teaching and the types of teaching positions available.

Sabre and Spurs enjoys trail rides

This year's Sabre and Spurs club had a busy season. Sponsored by Mr. Joseph Orlicki, the club held its first of many trail rides early in the fall. The club traveled to many locations including Hanson's Hideaway and White Pines State Park to ride. Though all the members didn't own horses, they had fun getting together to talk about horses. In addition to trail rides and meetings, Sabre and Spurs sponsored an after-game dance last fall.

The club also held a bake sale and sold stadium cushions at basketball games and track meets. One of the final events of the year was the initiation, held in the spring, which featured a tug-o-war, a mud fight, and a steak-fry. Gridders' teamwork earns first place tie.

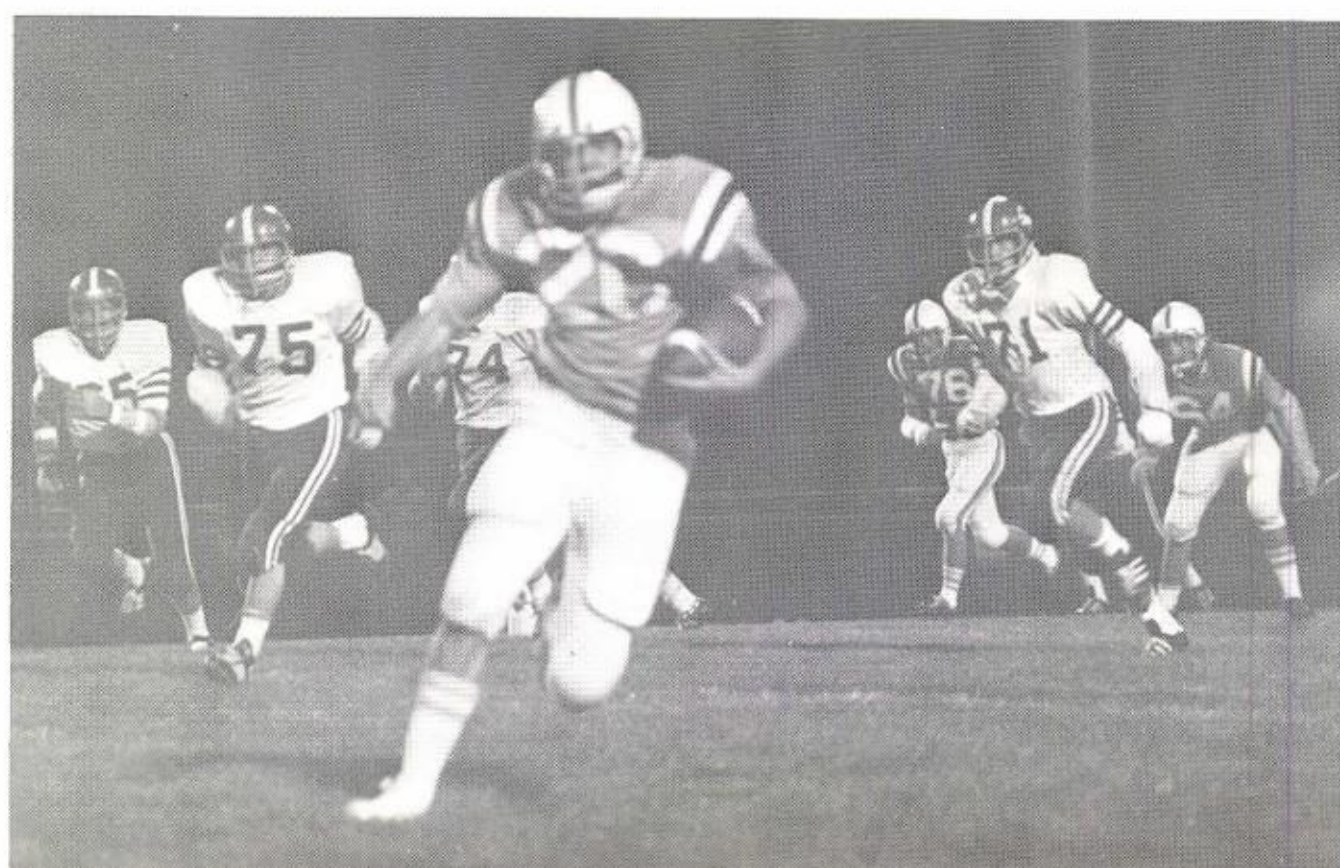

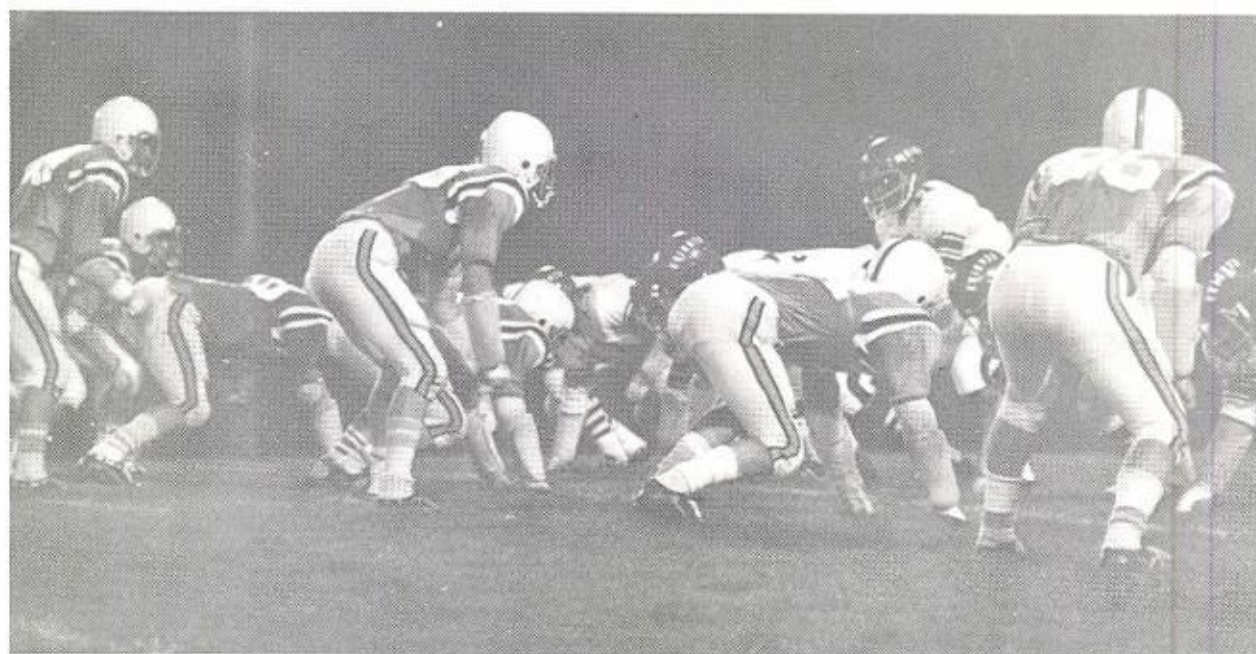

This year's varsity gridders used teamwork to get a first-place tie in the conference and an eleventh place ranking in the state. Not blessed with much size, the team depended on quickness and determination. As a unit, the offense played the triple-option better than any previous team. The outstanding defense was a product of combined effort of the players. Coach Larry Smith said this year's defensemen were the best gang tacklers in the history of the school. Four boys, Rick Borowski, '74, Steve Clark, Tim Donahue, and Mark King, all '73, made the all-conference team.

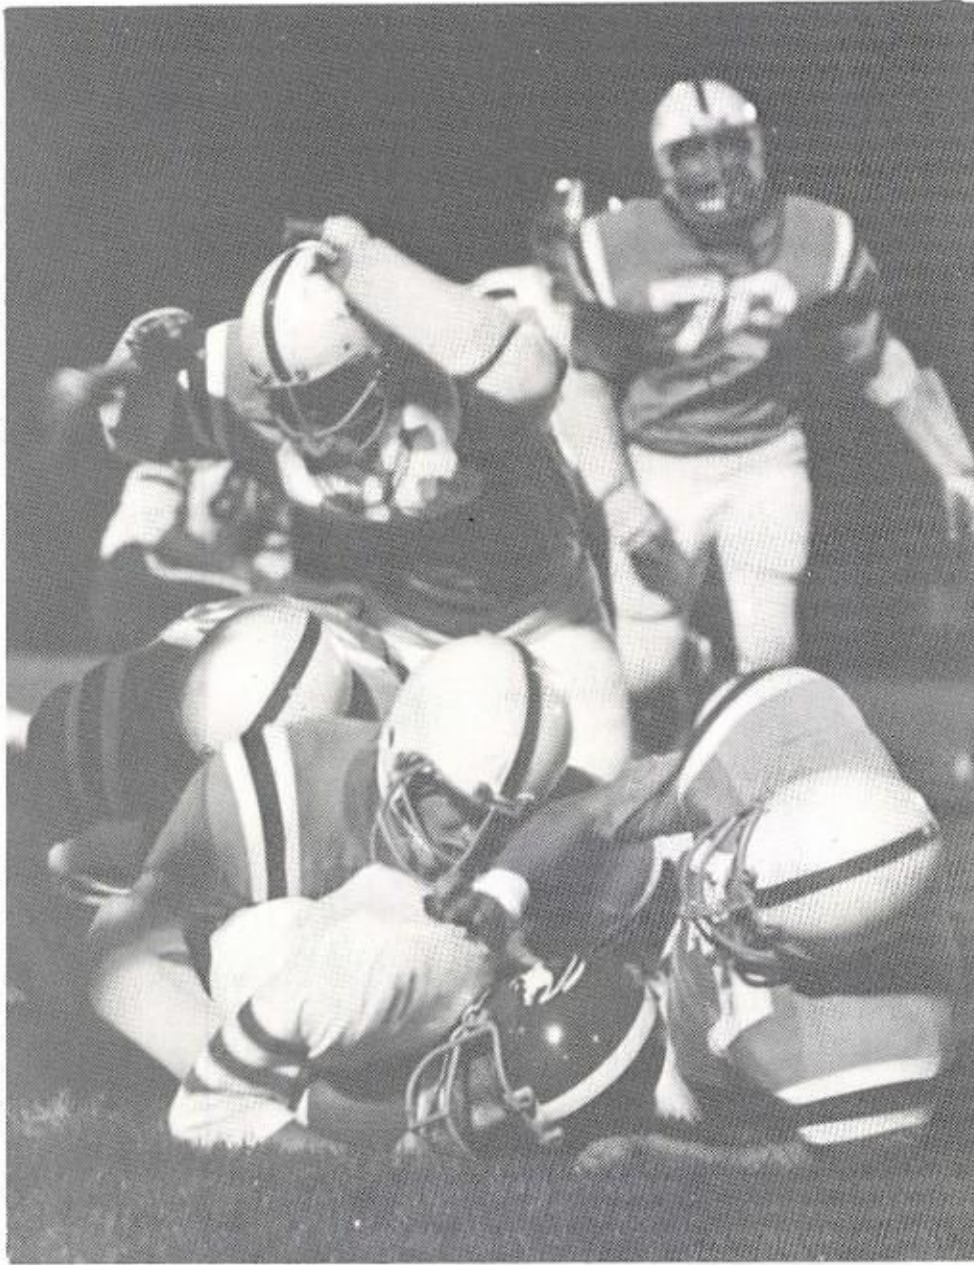

Helped by a few forfeits the J.V. team compiled an undefeated and untied season. The sophomores had a disappointing season, but showed promise in the running of the triple-option. Two of their losses were by just a few points. Both Freshman teams had trouble at the beginning of the season, but got untracked later on and ended up with winning records.

Brent Branca hands the ball off, then continues down the line, carrying out the rest of the play.

The Long Blue Line takes 5th in State

Coach Leden's cross-country dynasty prevailed once again as the harriers won all their dual meets and upped their record to 59 consecutive wins. They won the conference for the eighth consecutive year, won the district for the second straight year, won the sectional and placed fifth in the State meet. Paul Sewell led the team the whole year, individually winning the conference, district, and sectional and finishing third in the State. Bill Goodhope, coming off the injured list, battled for the No. 2 position with Howie Shayne. The depth in the Long Blue Line was completed by John Reid, Rob McDaniel, Dave Mark, Jim West, Charlie Gantzer, and Darrell Johnson. The continuation of the dynasty looks promising since the junior varsity team finished first in the conference and the sophomores finished second.

Gymnastics builds muscles, coordination

Coach Ron Cornelius brought together the best Guilford gymnastics team in its three-year history and had a successful season. Since Guilford had the only gymnastics team in the Big Nine, the gymnasts had to leave Rockford to find competition. They met most of this competition in the Chicago suburbs and managed to compile a winning record. Senior Karl Dundore led the team, his specialties being the high bar, parallel bars, and rings. Strength was also added to the team by junior Fred Gault, sophomore Bob Stieg on the trampoline, and junior Lenny Ploplus on the still rings. The many underclassmen on the team show great potential for Guilford's gymnastic team in the coming years.

His season total was double the previous record. Chris Loy, '74, set a season scoring record. Team leader Pat Coblentz, '73, contributed his tenacious defense and deadly corner shot. Supersub Bill Friede, '73, gave relief to the starters and added spark to the game with good ball-handling and shooting. Tim Donahue, '73, on the injured list for most of the season, added depth to the Viking lineup when he was able to play. Future Viking basketball teams should be strong, with Loy, Cameron, and Mioni returning and talented juniors and sophomores coming up.

Batmen have depth, aim for Big 9 title

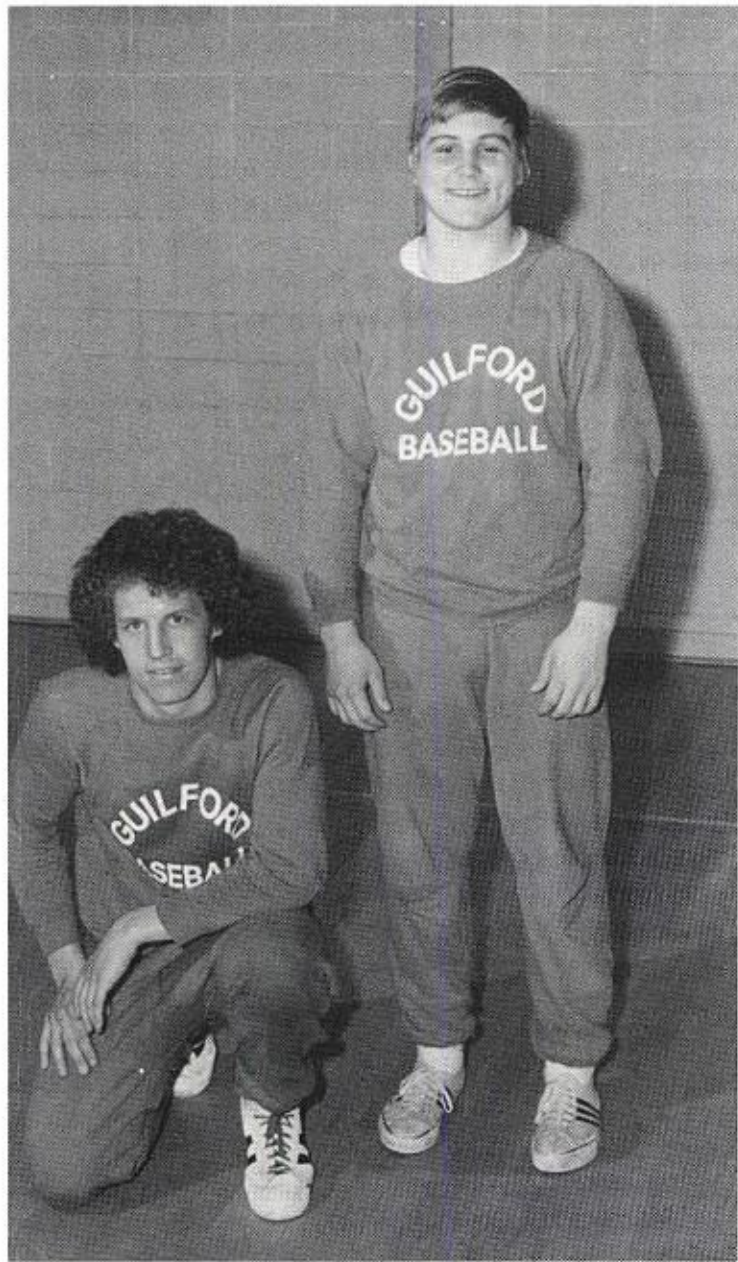

Coach Herb Sisler feels his baseball team has a chance at winning the Big Nine conference. With seven returning lettermen, including the whole infield except the catcher, the team will be experienced and will have of depth in every position. Besides a good defensive team, it should be strong in hitting. The secret of success this year lies in the pitching. Only two pitchers are returning, with five new pitchers filling out the roster this season. Strongest competition will come from Belevidere, East, and West.

Keeping in stride with the Viking tradition of winning, the girls finished their seasons with winning records in every sport. They participated in a variety of activities and competed interscholastically in field hockey, tennis, volleyball, basketball, track, and softball. Last fall, Coach Jane Friel led the field hockey team to a 2-2-1 record while Mrs. June Haselton coached the tennis team to a smashing undefeated season. The volleyball and basketball teams, both coached by Miss Patricia Davis and Mrs. Marilyn Wallen, finished their seasons with winning records. Both the A and B basketball teams were undefeated. The volleyball A team finished second in the conference while the B team took first. The softball team, coached by Miss Davis and Mrs. Wallen, and the track team, led by coaches Mrs. Susan Anderson and Mrs. Sharon King, both look strong and should have successful seasons.

A large crowd of students, likely at a school assembly or sporting event, is shown in bleachers. Many students are clapping and looking towards the front of the crowd. The students are dressed in casual attire typical of the late 1960s or early 1970s, including sweaters, t-shirts, and button-down shirts. The crowd is dense, filling the frame from the foreground to the background.

Like the winds of the sea are the ways
of fate, as we voyage along through
life: 'tis the set of a soul that decides
its goal, and not the calm or the strife.

Departments combine to teach students

This year the Social Department worked with the English Department to help give a student a background in American History and Literature. The English classes investigated the literature of the time that the social studies classes were studying. This gave the students an insight into the conditions under which the book was written.

Mr. Redwing calls parent as part of Guilford's unique program to involve parents with school activities.

"We travel together, passengers on a fragile space ship, dependent on its vulnerable reserves of air and soil; all committed for our safety to its security and peace; preserved from annihilation only by the care, the work, and, I will say, the love we give our fragile craft."

— Adlai Stevenson

Students recognized for special talents

Quill And Scroll

LEFT: Quill and Scroll is an honorary society which promotes progress in scholastic journalism and publications. It encourages initiative and creative writing enabling the individual to contribute greater skill to his publication. Quill and Scroll recognizes and rewards the achievements of students involved in journalism. To be a member, students must be in the upper third of the senior class, have contributed significantly to the school's publications, and be elected by members of the publications staff. For the first time the chapter will be an active organization this year. Quill and Scroll had an initiation ceremony and sponsored several activities.

Top Twenty

ABOVE: The top twenty seniors were chosen on scholastic standing achieved during the past four years. The traditional "top ten boys and top ten girls" honor changed this year after upperclassmen evaluated this system. A survey by Student Council revealed students felt that regardless of sex, the top twenty individuals should be honored. Seated from left to right are Margo Wylie, Linda Weingartner, Bruce Mitchell, Tom Magnuson, Steve Lindstrom, Stan Blackburn, and Jeff Behr. Standing are Greg Roszkowski, Margo Thienemann, Terri Travnick, Cindy Canfield, Becky Stringer, Mary Schmaling, Dan Picus, Paul Dye, Chuck Trefz, Bill Kvien, Bill Plate, and Bruce Ericson. Absent is Sharon Erikson.

The first intelligent expression of the infant is wonder; this quickly develops into active curiosity, until life becomes an enthralling and breathless voyage of discovery. Its possession is the great distinction between youth and age. Youth is past when the sensation of adventure is ended, when instead of boundless expectation and of curiosity that penetrates into all the corners of existence, a man is content to take things as they are, when eagerness gives way to complacency and questioning to the cynicism of experience. The man devoid of curiosity is the man who in the end attains to nothing.

A true revolution of values
will soon cause us to question
the fairness and justice
of many of our past and present policies
On the one hand we are called
to play the Good Samaritan
on life's roadside;
but that will be only an initial act.
One day we must come to see
that the whole Jericho Road
must be transformed
so that men and women
will not be constantly beaten and robbed
as they make their journey on life's highway.
True compassion is more
than flinging a coin to a beggar;
it is not haphazard and superficial.
It comes to see
that an edifice which produces beggars
needs restructuring.
A true revolution of values
will soon look uneasily
on the glaring contrast
of poverty and wealth.
Martin Luther King

God,
 I don't know
 if I know you or not.
 They say you are
 as close to me
 as I am to myself.
 But you might as well be
 a stranger in the mist.
 If wishes were real
 you would be more real to me
 than flesh and blood.

Could it be that here
 is where I lose the trail:
 I look for you
 the way I picture you,
 rather than
 the way you really are?

Do I look up when, perhaps,
 you have no direction?
 Should I even look —
 can the eye see the eye?
 Am I looking for color in a song;
 or sound in a sunset;
 or trying to cup-in-hand
 sweetness and sorrow?

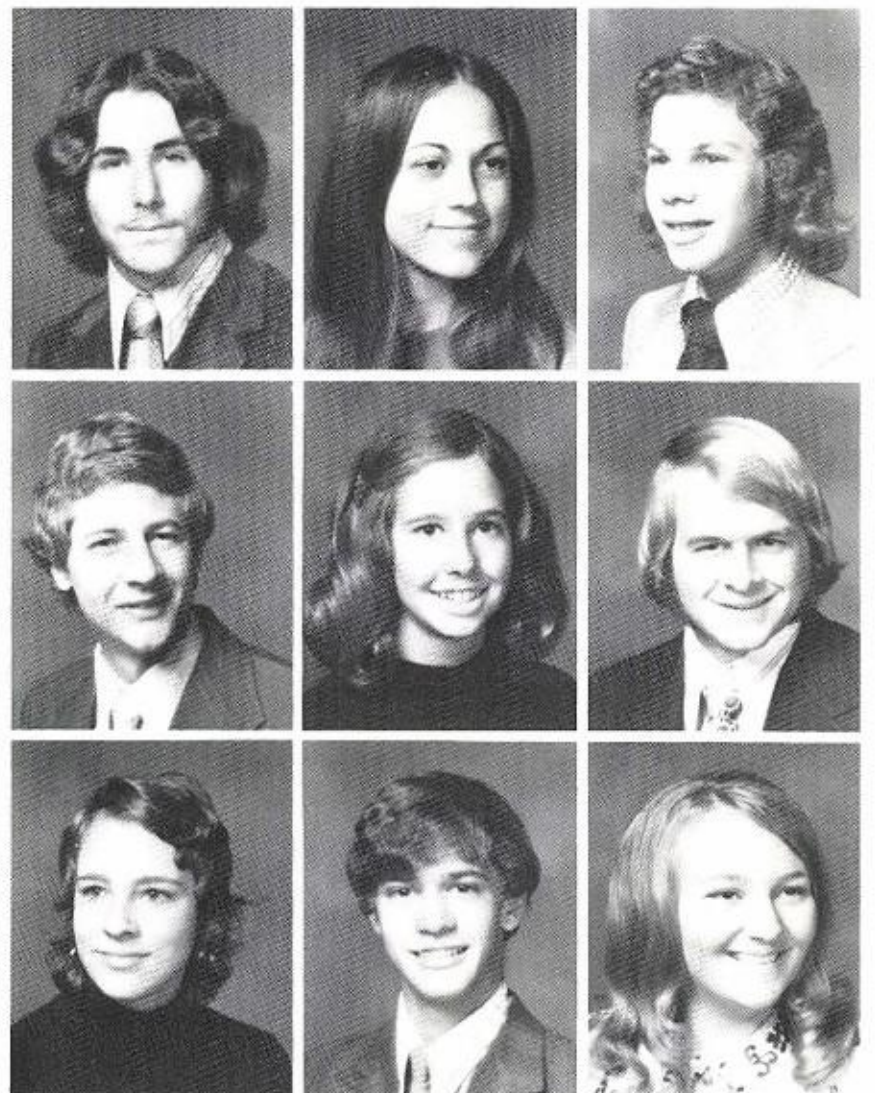

Am I searching for something
 when perhaps that "something"
 is the search?
 Could it be
 that while I walk in flesh,
 you will never be a destination —
 only a journey?

What if I found you?
 That would be heaven!
 Can east be in the west?

When does the quest
 cease to be the question
 and become the answer?

Or, perhaps, that is it:
 the question is the answer;
 the search is the discovery.
 In going, I am already there —
 as "there" as any traveler
 can expect to be.

No one's moved the road for me
and no one's found a way
to beat the brush down
through the woods
or make the brambles
snap back safely and on cue.
No clearing in the woods
awaits my coming,
foot or horseback,
except the clearing that I make myself.

Scott Thiel's slave, Mary Johns, thinks he's "the greatest," and predicts a Guilford homecoming victory.

Nothing of importance
or great essence
can be created unless first
there are things pre-existing.
Those things that pre-exist
become reality with the ingredient of
time,
and thought and motion in some form of
harmonious pattern.

Sue Leeming and Nancy Warren, '76, join in on junior Martha Warren's pep assembly skit while Marilyn Paine, '75, walks away to demonstrate her team's deodorizing technique. The girls contrast their teams' wetness weakness with Guilford's dry power to prove "Guilford can beat East with no sweat."

**Far away there in the sunshine are
my highest aspirations. I may not
reach them, but I can look up and
see their beauty, believe in them,
and try to follow where they lead.**
— Louisa May Alcott

Two roads diverged in a wood, and I
I took the one less traveled by,
And that has made all the difference.

And there upon the lightest crest the
sunset will point the way ahead with

note the road was bright by which you
came.

The Fellowship of Zoes, a silly organization of superhuman people, was founded in 1971 by an elite group of five O-(original) Zoes. Since then almost 100 other Zoes have been added to the group on the basis of individuality, intelligence, kindness and, most important, craziness. Although most Zoes reside in Rockford, the kingdom spans the globe from Mayer, Arizona to Paris, France.
